

Want to know more about the Hedgehog Award?

Sheffield &
Rotherham

A guide for new members of Sheffield and Rotherham Wildlife Trust

All new SRWT family members are now eligible for our fantastic new Hedgehog Award which allows children to earn stickers and an Award badge when they take part in our exciting activities exploring nature and wildlife.

By taking part we hope children will:

- Have fun getting outdoors with their friends or families
- Develop new skills and knowledge
- Have a positive impact on wildlife or the environment
- Get to know more places and people in their local area

How does it work?

Your Family Membership Pack should include a handy credit-card sized Hedgehog Award card. To earn the award, your children will simply need to take part in eight Wildlife Trust Wild Play sessions. These can be booked at wildsheffield.com/whats-on, and SRWT members benefit from a reduced ticket price of £3.

Our Wild Play family events take place during the school holidays in locations across Sheffield and Rotherham, and they are open to all ages. With activities ranging from bug hunts to bushcraft, they are a great way for children to learn about nature in a fun way.

At each session they will be given a sticker which they will stick on their Hedgehog card. When they have eight stickers they will earn a fantastic Hedgehog Award badge and certificate!

Any questions?

If you have any questions about the Hedgehog Award or our Wild Play sessions, please contact us at playwild@wildsheffield.com.

If you are not already a member and want to become one, go to wildsheffield.com/how-you-can-help/become-a-member.
