

Our Partnership

This chapter outlines the approach to governance, partnership working, terms of reference and delivery arrangements for the Sheffield Lakeland Landscape Partnership. The steering group has agreed and signed a partnership agreement ([Appendix 1](#)). Those partners, steering group members and otherwise, responsible for delivering projects with Heritage Lottery Fund, (HLF), support are required to sign an accompanying delivery agreement confirming their commitment to meet HLF guidelines.

Governance Structure

Governance Structure	
Role	Membership
<ul style="list-style-type: none"> • Oversight • Direction setting • LCAP content • Common fund • Advice and support for the programme management team. 	<p>SLLP Steering Group</p> <ul style="list-style-type: none"> • Bradfield Parish Council • The Environment Agency • Natural England • Sheffield and Rotherham Wildlife Trust • Sheffield City Council • Sheffield United Community Foundation • South Yorkshire Archaeology Service • Stocksbridge Town Council • Yorkshire Water
<ul style="list-style-type: none"> • Programme management 	<p>Sheffield and Rotherham Wildlife Trust, (SRWT), as lead partner:</p> <ul style="list-style-type: none"> • Keith Tomkins (Programme Manager) • Roy Mosley (Department Head) • Liz Ballard (SRWT Chief Executive)

There are different types of partners:

1. The Landscape Partnership Steering Group

A small group of partners who have significant interest in the programme's overall success. This group is tasked with steering and guiding the partnership team, keeping to budget, managing risk and focussing on priorities. Each steering group partner has signed up to a governance structure and partnership agreement (which includes terms of reference). The steering group partners are listed overleaf.

2. The Landscape Partnership Delivery Partners

A wider group of partners with a specific interest in contributing and/or delivering a specific activity or project within the partnership programme. Each delivery partner will be formally engaged in projects through a delivery agreement ([Appendix 2](#)).

3. The Landscape Contributory Partnership

Groups who will help us achieve our objectives with the support of the steering group or delivery partners.

4. The Community of Partners

An ever-growing community of interests with involvement in the Partnership, including for example artists, land owners, walking groups and the Local Access Forums.

The diversity of ideas brings strength to the Partnership. Photo L. Page

The Steering Group

The Landscape Partnership steering group is made up of the following people and organisations:

The steering group has agreed to work together to ensure that the Partnership's activities adhere to both HLF's and SRWT's procedures and conditions, (with HLF taking precedence should conflict arise).

Recognising Delivery Partners

Our Landscape Partnership also includes a range of organisations which have committed to deliver specific projects on behalf of the Partnership. The lead partner, Sheffield and Rotherham Wildlife Trust, retains the legal agreement with the Heritage Lottery Fund. Delivery partners are responsible for undertaking the projects

agreed through the Landscape Conservation Action Plan and will be required to sign both the delivery agreement shown in Appendix 2, in addition to a copy of this Landscape Conservation Action Plan to confirm they will follow and comply with HLF guidelines before undertaking any work under the SLLP programme.

Delivery Partners		
Organisation	Contact name and project(s) agreed	Signature and date on Delivery Agreement
Yorkshire Water (YW)	Geoff Lomas, Catchment and Recreation Manager - Creating a New Nature Reserve at Midhope - New Access at Langsett

Stocksbridge Town Council	Cllr Alan Law, Town Council Member - Community Grant Scheme	
Wildscapes Environmental Consultancy	Jon Goodrick, Consultancy Manager - Supporting Species	
Moors for the Future	Matt Buckler, Programme Manager - Conservation and Land Management - North America Path	

Contributing Partners

The Sheffield Lakeland Landscape Partnership is committed to supporting smaller local groups within the Landscape Partnership, those that have restricted geographical or sector interests which would not want to be part of the overall programme, but nevertheless fulfil vital roles within the landscape and community.

These partners have committed to undertake projects within the Landscape Conservation Action Plan, but, predominantly because of restricted cashflow or capacity reasons, cannot act as delivery partners. Instead they will deliver projects, or parts of projects with the lead partner, Sheffield and Rotherham Wildlife Trust, acting as the responsible body.

Community of Partners

Other groups, organisations and individuals have supported the development of this Landscape Conservation Action Plan contributing advice, ideas and opinions. It is our intention that these and other community-based groups will continue to contribute to the successful delivery of projects either through active participation or through on-going feedback.

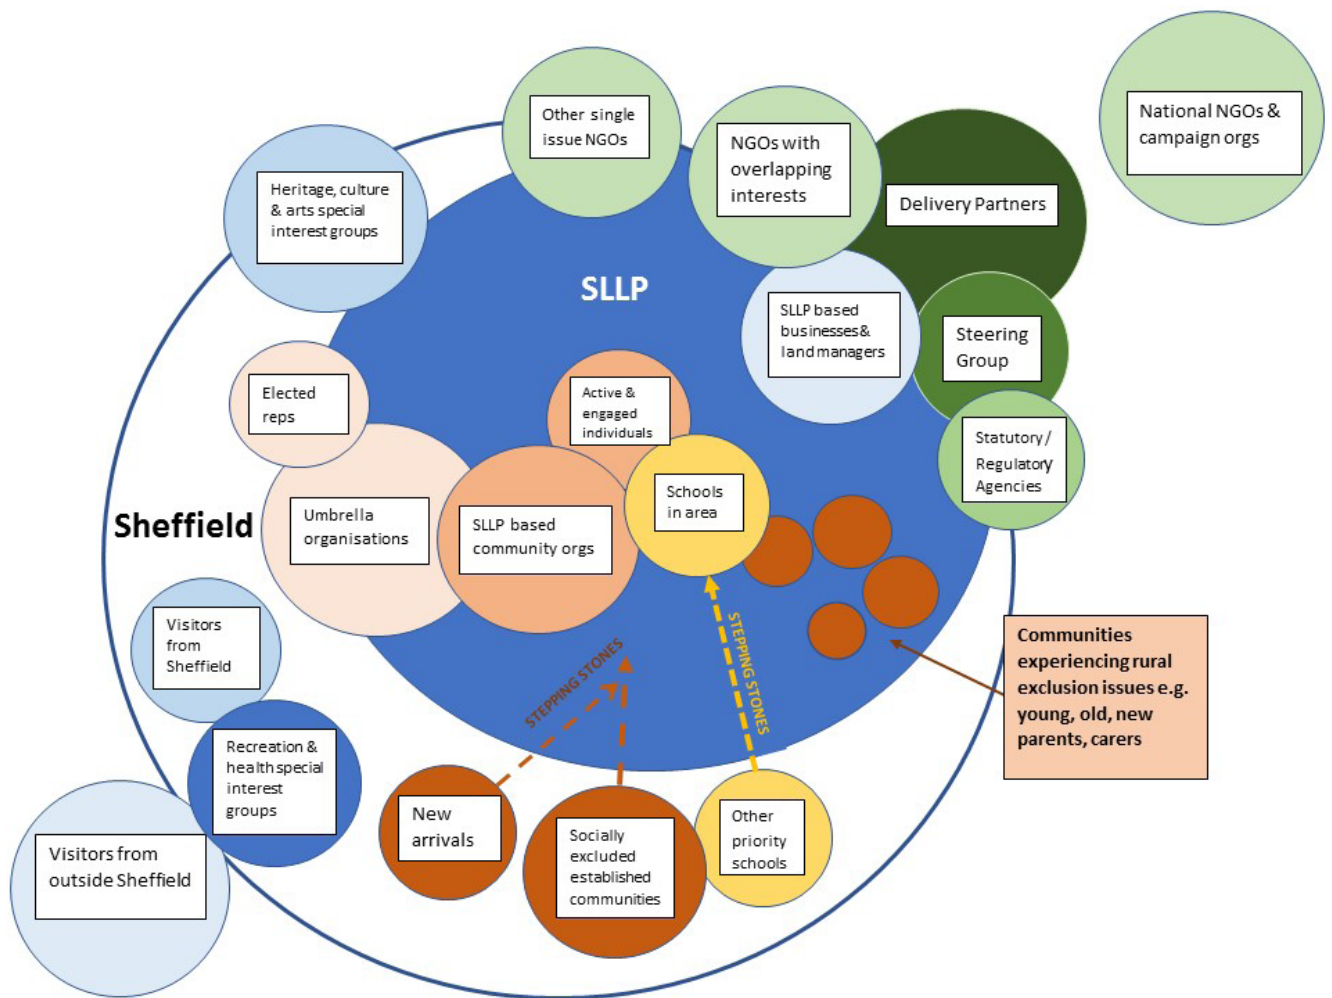

Some groups will be a source of volunteers or will undertake small defined pieces of work on behalf of other projects. It is difficult to list all supporting and participating groups that have contributed to the development of the Landscape Conservation Action Plan, but the partners listed below are representative of the community of partners in the Sheffield Lakeland Landscape Partnership.
