# Complaints and Compliments Procedure

Sheffield and Rotherham Wildlife Trust (SRWT) is committed to providing a high quality service across all our activities. Receiving and understanding complaints and compliments helps our organisation continuously improve our service.

It is therefore important to ensure that anyone can contact us to complain, to hold us to account, or to send in a compliment and know that these will be dealt with appropriately. To facilitate this we are committed to making this Complaints and Compliments Procedure publicly available.

Whilst we strive to provide excellent service in all that we do, we recognise that this may not always be the case. When we make a mistake we want to be informed, we would like the chance to put things right and ultimately to become more effective as a result. Equally, we want to recognise, celebrate and learn when we do something well.

Through this procedure we aim to:

- Publicise our complaints and compliments procedure so that people know how to contact us to make a complaint or compliment
- Provide a fair complaints procedure that is clear, confidential and easy to use for anyone wishing to make a complaint
- Ensure that all complaints are investigated in a timely way
- Wherever possible, resolve a complaint and work to ensure relationships are repaired
- Celebrate compliments and recognise the staff and volunteers involved
- Gather and internally review the compliments and serious complaints we receive in order to help us improve what we do
- Provide a right to appeal if a complainant is unsatisfied with our initial response.

Our employees receive training on how to follow the Complaints and Compliments Procedure. This policy and procedure will be regularly reviewed.

### Making a complaint

1. Please note that irrespective of the procedure set out below, you can refer a complaint about Sheffield & Rotherham Wildlife Trust to the Charity Commission, 3rd & 4th Floor, 12 Princes Dock, Liverpool, L3 1DE **at any time** ([www.charitiescommission.gov.uk](http://www.charitiescommission.gov.uk)). The Charities Commission will expect you to raise your complaint with us first but you do not need to complete every stage of our complaints procedure before referring it to the Charities Commission
2. However, we ask that, if you do have a complaint, you give us the opportunity to put things right. We can resolve many problems on the spot if we know about them.
